2. Grant of License.

- a. Licensor hereby grants to Licensee a non-exclusive, non-assignable, non-transferable, limited license to use the Software and related documentation (the “Documentation”) solely for the intended purposes of the Software as set forth in the Documentation, according to the provisions contained herein and subject to payment of applicable license fees. Licensor reserves all rights in the Licensed Product.
- b. The License granted by Licensor herein is a single-user license for use by Licensee directly with patients in their own medical or clinical practice. Each Licensee must have their own account with Licensor. If an entity is the primary Licensee, it must have a separate License for each Healthcare Provider using the Software, and each Healthcare Provider must separately fill out the Licensor’s required credentials with Licensor and agree to be bound by this EULA.
- c. Credits. Software is used on a Credit based system as defined by Licensor.
- d. Plans. Subject to change by the Licensor at any time and at its sole discretion, at the time of this EULA there are five basic plans for Licensees. Licensor reserves the right to update, alter, suspend, remove, redesign, or make any other changes to its plans at any time. This includes, but is not limited to, the addition or removal of Features. Licensor may effectuate changes to plans as noted in this subparagraph without requiring any changes to this EULA. Changes may be made by posting on its website or by sending other notifications to Licensees. If a Licensee has signed up for a yearly plan, and changes are made, Licensor will make its best efforts to provide a plan or equivalent plan that meets the Licensee’s current plan, or refund a pro-rated portion of the Licensee’s unused yearly fee.

At the time of this EULA, the following plans are offered:

- i. **Basic.**
- ii. **Essential Plan.**

- iii. **Premium Plan.**
- iv. **Ultimate Plan and**
- v. **Enterprise Plan.**

- e. NO SHARING. Except as permitted within their Plan, all Licensees are expressly prohibited from sharing access to their Software with any third-party Persons. Likewise, Licensee is prohibited from using the Software Product in any manner, directly or indirectly, to provide or assist other Healthcare Providers (for example – a Licensee cannot use the Software to assist other Healthcare Providers, including checking other Healthcare Provider’s notes or billings).
- f. Licensee must use the Licensed Product: (i) in a manner and for the purposes for which the Licensed Product was designed in Licensee’s medical or clinical practice, and (ii) only on Licensee’s own data for its direct patients and customers for the purpose of clinical documentation and billing.
- g. Subject to the provisions of the Backup and Archiving Section of this EULA, Licensee may make copies of the Licensed Product output only for backup and archival purposes. Licensee shall provide Licensor a written description of the procedures under which it makes backup copies, including any that may involve backup of the Licensed Product, and Licensor shall promptly approve or disapprove those procedures, which approval shall be at Licensor’s sole discretion.
- h. Licensee may reproduce and provide one (1) copy of the Software and Documentation for each device, computer, or workstation on which the Software is installed. Otherwise, the Software and Documentation may be copied only as essential for backup or archive purposes.
- i. Licensee must reproduce and include all copyright notices and any other proprietary rights notices appearing on the Software and Documentation on any copies that Licensee makes.

This offer of License by Licensor is not applicable and strictly prohibited from being accepted by any Person who is an owner, officer, director, employee, agent, contractor, of a company or Person, or is related or associated with a company or Person, that has a competing software solution to the Licensed Product, or is in the process of developing a competing software solution to the Licensed Product.

3. Limitations and Restrictions on Use.

- a. Since the Software is accessible via internet access, except as provided herein, a Licensee may access the Software on any of its Devices or on a Designated Machine, without the prior written consent of Licensor.
- b. All uses not expressly permitted under Section 2, Grant of License, are prohibited. For purposes of clarification:

- i. Licensee may not make derivative works of the Licensed Products, reverse engineer, disassemble, decompile, or otherwise modify the Licensed Products or any portion thereof, attempt to unlock or bypass any initialization system, encryption methods or copy protection devices in the Licensed Products, modify, alter or change the Licensed Products, alter, remove or obscure any patent, trademark or copyright notice in the Licensed Products, or use components of a Licensed Product independent of the Licensed Products they comprise. Any modifications, alterations, or changes to the Licensed Products, unless authorized by Licensor, shall terminate the warranties provided herein, and Licensor may, at its sole discretion, terminate Maintenance Services for such Licensed Products;

4. Ownership.

Licensor owns the media on which the Licensed Product is originally or subsequently recorded; provided, however, subject to the terms and conditions of this EULA, Licensee may use the Licensed Product on a Device or on a Designated Machine for use solely by Licensee. As between Licensor and Licensee, Licensor retains all rights and title to the Licensed Product (both as recorded on the original media and on any subsequent media), the Licensed Documentation, and any Copies thereof in any form. Any templates or customizations made by Licensor for Licensee in the Software, or for use in the Software, shall be owned solely by Licensor. Licensee’s use or access to such templates or customizations is strictly limited to its continued licensed use of the Software.

5. EULA and Amendment

This EULA is a license to use, and not a contract of sale for, the Licensed Product. All Intellectual Property Rights in and to the Licensed Product are retained by Licensor or the Licensor of Third-Party Software, as the case may be. Licensee shall not use either the name of Licensor, the Licensor of Third-Party Software, or the name of the Licensed Product or Third-Party Software licensed under this EULA for any commercial purpose or in any advertising, promotional, or public statement, without the prior, written consent of Licensor or the Licensor of Third-Party Software, which consent shall be at Licensor's or the Licensor of Third-Party Software's sole discretion. Licensee agrees not to remove, deface, or destroy any copyright, patent notice, trademark, service mark, other proprietary markings, or confidential legends placed on or within the Licensed Product, the Licensed Documentation, the Third-Party Software, and any Copies thereof in any form.

Licensor reserves the right to amend, alter, and update the terms and conditions of this EULA at any time and at its sole discretion ("Updated EULA"). Licensor will attempt to provide Licensee at least thirty (30) calendar days' notice of the Update EULA prior to the "effective date" of the Updated EULA. Licensee's continued use of the Licensed Software after the Updated EULA takes effect shall be conclusively deemed acceptance and approval of the new terms and conditions in the Updated EULA.

Should Licensee choose to decline an updated EULA and terminate its License, it must notify Licensor at least ten (10) calendar days prior to the Updated EULA effective date. The notice shall identify the Licensee and include a statement that the Licensee does not approve the Updated EULA's terms and conditions and chooses to terminate the EULA prior to the effective date of the updated EULA. When a Licensee who is on a yearly plan (not a month-to-month plan) timely and validly terminates pursuant to this section (due to an Updated EULA), Licensor shall reimburse Licensee in a pro-rata fashion any prepaid License Fees. Reimbursement will be made within a reasonable period of time after receipt of Licensee's timely notice.

6. No Medical Advice

The Service is not intended to provide medical advice or treatment to Licensee or its patients. Licensee's use of the Licensed Product does not create a physician/patient relationship or replace a qualified healthcare professional's independent medical judgment.

Licensor has advised Licensee that the Software Product should only be used by Licensees who are trained and educated Healthcare professionals and Healthcare Providers. The Software is a tool to assist these professionals, not substitute their medical decisions. Licensee agrees that the Software's effectiveness will vary depending on Licensee's experience, accuracy, and thoroughness in providing services, and with the input of data into the Software. These are all issues out of the control of Licensor.

As such, Licensor does not guarantee the accuracy, completeness, or usefulness of any information provided, generated, or otherwise produced by the Licensed Software when used by Licensee ("Software Generated Output"). The parties agree that Licensor has not made any guarantees or representations related to the Software Generated Output's compliance with any billing requirements, medical note required elements, and other

information required to document a medical visit and billing code performed by Licensee's healthcare professionals.

Licensee agrees that its healthcare professionals must use their own independent medical judgement regarding the information and document that they input about a patient's circumstances into the software.

7. Fees; Payment Terms.

a. License Fee

As compensation for the use of Licensed Product as provided in this EULA, for each Copy of the Licensed Product, including any backup or archival copy permitted under this EULA, Licensee shall pay Licensor the License Fees set by Licensor, and as amended from time to time. The fees are published on Licensor's website and are updated periodically. The license fees for this EULA will be set at the time Licensee approves the EULA.

Licensor reserves the right to change the published fees periodically at its own discretion, as well as offer time-sensitive or Licensee specific specials and discounts. Licensor is under no obligation to provide the lowest price license fees to Licensee. If Licensor increases the license fees or other fees (set forth herein), then Licensee has the right to terminate this EULA as noted in the termination section.

Licensor expressly prohibits any Licensee from combining or stacking of discounts, rebates, and promotions (a "Combined Discount"). If Licensee is able to process a Combined Discount, and it is found by the Licensor, then Licensee agrees to pay the Licensor the difference in fees for each Combined Discount above the first discount, times the number of months the Combined Discount was applied.

b. Supplemental Service Fees.

As compensation for any additional services requested by Licensee and provided by Licensor under this EULA, Licensee shall pay Licensor the Service Fees designated by Licensor. These fees are for any Supplemental Services, including but not limited to: technical assistance, support, training, customization, troubleshooting, setup, integration, build-outs, etc.

Licensor may provide Licensee with Supplemental Services for the Licensed Product as set forth in this EULA or as may be set forth in a separate statement of work made pursuant to this EULA. Licensor is only obligated to provide Supplemental Services via telephone during Licensor's designated hours of operation for Supplemental Services.

If Licensee requests and Licensor in its sole discretion agrees to provide Supplemental Services at a location other than via telephone as noted above, then Licensor may charge additional fees for travel, lodging, and delivery of Supplemental Services.

c. Payments.

Licensee shall pay to Licensor, or Licensor's authorized designee or agent, the License Fees prior to use of the Licensed Product. Failure to pay will result in an immediate suspension or termination of a Licensee's use or access to the

Software. Likewise, Licensor may designate the timing of payment for any Supplemental Services or any other fees. If no time is set for a Supplemental Service or any other fee, then payment is due immediately upon notice of the fee.

Except as explicitly stated herein, Licensor has a strict no-refund policy. All sales are final. Licensor hereby terminates prior refund policy established on the Software. With that said Licensor reserves the right to consider any form of refund to a Licensee on a case-by-case basis.

d. Taxes and Other Charges.

Licensee shall also pay to Licensor any applicable sales, use, value-added, personal property, Internet-related or other taxes, and government charges imposed on transactions hereunder, exclusive of Licensor's net income or corporate franchise taxes.

e. Late Payments and Interest.

All License Fees, Supplemental Service Fees, taxes, and other charges shall be due and payable in full in U.S. currency. All fees identified in an Order, or this EULA and any applicable taxes or charges are due and payable immediately upon receipt. Licensor may suspend or terminate Licensee's use or access to the Software or Licensed Product for failure to pay the License Fee or any other fees and charges due. Licensee shall pay a late charge of one and a half percent (0.5%) per day on any fees not paid by the due date. Unless identified in an Order, all fees are stated in and shall be paid in United States currency. Licensor may pass through the cost of any payment processing fees or bank fees, for any payments, including electronic payments, e-checks, credit or debit cards, wire payments, etc.

8. Reporting and Audits.

a. Reporting.

Licensee shall provide Licensor with a statement setting forth the number of Copies of the Licensed Product, or any component thereof, in existence. Licensee shall provide said statement within ten (10) days of Licensee's receipt of any reporting request from Licensor.

b. Audit of Use.

Licensor may upon reasonable notice of at least three (3) calendar days to Licensee, at its expense, audit Licensee's use of the Licensed Product. Licensor has the right to conduct an audit one (1) time per each twelve (12) calendar month period of time for each Licensed Product. Audits may be conducted remotely when possible, or in person. Audits done in person may be conducted during regular business hours at Licensee's place or places of business (or where a Computer or Device is stored). Licensee shall not unreasonably withhold access. Any such audit shall consist solely of a review of Licensee's compliance with the terms and conditions of this EULA and an Order, including, if necessary, an examination of any Computer or electronic Device. Licensee shall provide all reasonable assistance to Licensor during such review.

If, as a result of any such audit, Licensor identifies unauthorized use of the Licensed Product, Licensee shall pay, in addition to a full License Fee for each copy of the Licensed Product used or prepared for use by Licensee during the audit

period, the reasonable expenses of Licensor in conducting the audit.

9. Licensee Support.

During the term of this EULA, and provided Licensee has paid all ongoing License Fees and Supplemental Fees and costs that are due, Licensor will provide the following maintenance and support services to Licensee ("Support Services"). Licensor reserves the right to modify any Support Services in this EULA by providing notice to Licensor.

Support Service requests ("Support Requests") must be submitted to Licensor within the Software, via Licensor's third-party vendor (currently Intercom). Licensee should include contact information and a detailed description of the issue in its email. Submission of a Support Request opens a ticket in the Licensor system and directs the ticket to Licensor support personnel. Licensor has support representatives available during Support Service Hours designated below, however, a support service representative will respond with either a resolution or workaround, either by email or phone, as warranted by the ticket, within a 24-hour period. In the event that an issue is not resolved within the 24-hour period, Licensee should promptly contact Licensor.

b. Support Services Hours.

Normal Support Services for Licensees will be provided from 8 am to 8 pm ET, Mondays through Fridays (excluding all holidays, including Licensor-specified holidays).

c. Defect Support.

Licensor, at its sole discretion may provide telephone consulting services and/or written support services through fax, email, or other manner to Licensee's designated personnel to provide such personnel with Defect Support relative to the Software and Documentation, being the provision of assistance regarding suspected defects or errors in the Software or Documentation. Licensor will analyze the claim of Licensee and inform Licensee of the result of its analysis. If a defect in the Software is confirmed by Licensor, acting reasonably, Licensor will exercise commercially reasonable efforts to correct the defect as soon as possible.

d. Remote Application Support.

Licensor may provide telephone consulting services and/or written support services through fax, email, or other manner to Licensee's designated personnel to provide such personnel with application support relative to the Software and Documentation, being the assistance, beyond defect support. Licensor will analyze the claim of Licensee and inform Licensee of the result of its analysis. If further investigation is needed, Licensor will inform Licensee as soon as possible of the results thereof.

f. Additional Support.

If Licensor chooses to offer additional support for specific Licensees, then Licensee may purchase additional support and custom modifications to the Software (to the extent agreed to by Licensor) from Licensor by notifying Licensor (the "Additional Support"). If the Additional Support or modifications are agreed to by Licensor, then Licensor may provide Licensee with a written scope of work of the Additional Support along with any and all fees and costs. Additional Support may be billed on a project basis or an hourly basis, at the sole discretion of the Licensor. If no fee is specified then it shall be done on an hourly basis at \$200.00 per hour, plus any costs. If travel is required, then Licensor agrees to pay all reasonable travel fees.

Unless otherwise stated, payment for any Additional Support is due immediately and in advance of any work or efforts by Licensor. Unless costs are prepaid or are made part of the scope of Additional Support, they will be billed separately. Payment is due by Licensee upon receipt of any invoice.

g. Scope of Maintenance and Support Services.

- i. In no event shall any maintenance or support services under this EULA be provided for any application, device, hardware, or software other than the Software.
- ii. It is a condition precedent to the delivery of any maintenance and support under this EULA by Licensor that Licensee have personnel on site that possess the knowledge of a person of ordinary skill in the art of computer programming and that Licensor be able to interact with such personnel in providing maintenance and support services under this EULA.

OF DATA, OR EXEMPLARY LOSSES OR DAMAGES, INCLUDING LOST PROFITS OR BUSINESS OPPORTUNITIES, EVEN IF SUCH PARTY WILL HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH POTENTIAL LOSS OR DAMAGE, UNDER ANY THEORY OF LIABILITY, WHETHER BASED IN CONTRACT, TORT, NEGLIGENCE, PRODUCT LIABILITY, OR OTHERWISE.

- d. LICENSOR'S MAXIMUM AGGREGATE LIABILITY FOR DAMAGES TO LICENSEE SHALL BE LIMITED TO ACTUAL DIRECT MONEY DAMAGES IN AN AMOUNT NOT TO EXCEED THE LESSER OF THE CURRENT TERM'S LICENSE FEES ACTUALLY PAID BY LICENSEE FOR THE SOFTWARE, OR THE PAST THREE (3) MONTHS LICENSEE FEES ACTUALLY PAID.
- e. THE PARTIES, ESPECIALLY LICENSEE, ACKNOWLEDGE THAT THE LIMITATIONS ON LIABILITY IN THIS SECTION ARE REASONABLE. THE REMEDIES PROVIDED IN THIS EULA ARE EXCLUSIVE.
- f. THE FOREGOING LIMITATIONS SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, REGARDLESS OF WHETHER LICENSEE OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

13. Confidentiality.

- a. As used in this EULA, the term "Confidential Information" means all non-public information, including, but not limited to, the trade secrets and know-how of the respective Parties, this EULA, and all matters discussed relating to this EULA, any information marked "Confidential" or "Proprietary," any non-public information (even if not marked) that by its context or underlying circumstances a reasonable person would consider proprietary or confidential, and, in the case of Licensor, the Licensed Product; provided, however, Confidential Information shall not mean any information that:
 - i. is known to the Licensee at the time of disclosure by the Licensor;
 - ii. is developed independently by the Licensee without use of the Licensor's Confidential Information;
 - iii. is within, or later falls within, the public domain without breach of this EULA by the Licensee;
 - iv. is publicly disclosed with written approval of the Licensor; or
 - v. becomes lawfully known or available to the Licensee without restriction from a source having the lawful right to disclose the information without breach of this EULA by the Licensee.
 - vi. The Licensee shall have the burden of proof as to establishing by competent evidence any of the exceptions set forth in (i) to (v) above.

b. In the event the Licensee is legally requested or compelled in any form to disclose any of the Licensor's Confidential Information pursuant to a Court Order or valid governmental request, the Licensee shall withhold disclosing any Confidential Information in order to provide the Licensor with immediate written notice of such request, so that the Licensor may seek a protective order or pursue other appropriate remedies to protect the confidentiality of its information. If the timeframe is too short to contact Licensor, then Licensee shall seek a protective order or extension in order to contact Licensor. Assuming Licensee has provided notice to Licensor and a protective order or other remedy is not obtained, the Licensee is limited to furnishing only that portion of the Confidential Information which the Licensee, upon the opinion of its counsel, is legally required or able to furnish. The Licensee will reasonably assist the Licensor in its efforts to obtain a protective order or other remedies to protect or limit the disclosure of the information subject to the request.

c. Each Party acknowledges that in the performance of this EULA, a Party may receive Confidential Information from a Licensor and that such Confidential Information is the exclusive property of the Licensor. The Licensee agrees to hold the Confidential Information of the Licensor in strict confidence in accordance with the provisions of this EULA. A Licensee;

- i. shall not permit or suffer its employees or agents to remove any proprietary or other legends or restrictive notices contained or included in any Confidential Information provided by the Licensor;
- ii. shall not permit or suffer its employees or agents to copy or modify any Confidential Information except as specifically authorized in this EULA;
- iii. shall not disclose any Confidential Information to a third party without the prior written consent of the Licensor;
- iv. shall only use the Licensor's Confidential information for purposes of performing its obligations under this EULA, and shall not otherwise use the information for its own benefit or for the benefit of any third party; and
- v. agrees to keep secure and maintain the Confidential Information of the Licensor in a manner no less protective than that used to maintain the confidentiality of the Licensee's own Confidential Information.

d. Limitation on Disclosure.

A Licensee may disclose Confidential Information to its employees or agents under the control and direction of the Licensee only in the normal course of business and on a need-to-know basis within the scope and purpose of this EULA. Provided, however, prior to any disclosure, all such employees and agents shall have entered into written agreements with the Licensee requiring such employees and agents to treat and use all such Confidential Information in a manner consistent with the terms and conditions of this EULA. Except as expressly set forth herein, no licenses under any patent, copyright,

or other intellectual property rights of either Party are granted. For the avoidance of doubt, in all events, the Licensee shall be responsible to Licensor for any action or inaction of Licensee's employees and agents that violates this EULA.

e. Return of Confidential Information.

Upon any termination, expiration, or rescission of this EULA, a Licensee shall, at the option of the Licensor: (i) surrender and deliver all Confidential Information of the Licensor to the Licensor, including all copies thereof; or (ii) destroy the Confidential Information and all copies thereof of the Licensor's Confidential Information and, upon written notice, provide evidence of such destruction to the Licensor within one (1) month following such written notice. Notwithstanding the foregoing, each Party's legal counsel may retain one copy of the Licensor's Confidential Information for its files solely to provide a record of such Confidential Information for archival purposes.

f. Disclosure of Software Constitutes Incurable Material Breach.

Licensee acknowledges and agrees that any disclosure of the Licensed Product to a third party in violation of the terms of this EULA constitutes a material, incurable breach of this EULA and shall result in the automatic termination of this EULA and the immediate termination of all licenses granted to Licensee by this EULA. Licensee further agrees that it shall be strictly liable for all damages to Licensor that result from any disclosure of the Licensed Product to any third party.

14. Infringement.

- a. If a claim is made that the Licensed Product, or any portion thereof, infringes any United States patent, copyright, trade secret, or other proprietary right, Licensor, at its sole expense and option, shall either: (i) procure for Licensee the right to exercise the rights and licenses granted hereunder with respect to the Licensed Product; (ii) modify the Licensed Product to make it non-infringing but continue to meet the Product Specifications; (iii) replace the Licensed Product with equivalent but non-infringing software of like functionality that meets the Product Specifications; or (iv) terminate this EULA and provide a pro-rated refund of the License Fees to Licensee upon the return to Licensor of the infringing Licensed Product; provided, however, that the liability of Licensor pursuant to this Section shall be subject to the "limitations of liability" section of this EULA, and Licensor shall have no liability for any claim of infringement based on use of a superseded or altered Release of the Licensed Product if the infringement would have been avoided by the use of the most current, unaltered Release of the Licensed Product which is available to Licensee for any reason.
- b. If Licensor directs Licensee to terminate use of such Licensed Products (or a permanent injunction is issued against such use), Licensee shall immediately terminate such use.

- c. Licensor shall have no indemnification obligations for claimed infringement under this EULA to Licensee if the infringement or misappropriation results from Licensee's: (i) unauthorized modification of the Licensed Products; (ii) combination, operation or use of the Licensed Products with non-Licensor software products if such claim of infringement or misappropriation would have been avoided had such combination, operation or use not occurred; (iii) use of the Licensed Products in breach of this EULA or an Order; or (iv) use of other than the most current release of the Licensed Products if such claim of infringement or misappropriation could have been avoided by Licensee's use of such current release of the Licensed Products, provided Licensor delivered such superseding version to Licensee and notified Licensee of the need to use such version.

15. Indemnity.

a. Indemnity by Licensee.

Licensee shall be solely responsible for and shall indemnify, defend, and hold Licensor free and harmless from all damages, liabilities, charges, and expenses (including reasonable attorneys' fees) from all claims, lawsuits, or other proceedings arising out of or relating to (i) Licensee's use of the Licensed Product in a manner not permitted by this EULA, not permitted by Licensor, or not in conformance with Licensor written requirements, (ii) the acts or omissions of Licensee, its employees, and agents and all persons or entities who have access through Licensee to the Licensed Product, (iii) any breach or claimed breach by Licensee of its representations, warranties, and/or obligations under this EULA, or (iv) relating to an infringement of any right resulting in any way from the use of the Licensed Product with other software or materials not licensed to Licensee by Licensor.

b. Indemnity of Right of Use.

Licensor shall defend or settle, at its own expense, any third-party claim made against Licensee to the extent that the Licensed Product, in whole or in part, infringes any United States patent, published patent application, copyright, trade secret, or other proprietary right, and Licensor shall indemnify and hold harmless Licensee against any final judgment, including an award of attorneys' fees, that may be awarded by a court against Licensee as a result of the foregoing; provided, however, Licensee shall (a) give Licensor written notice of such claim within thirty (30) days of the date Licensee first knows or should have known of the claim and (b) provides Licensor with reasonable cooperation and all information in Licensee's possession related to said claim. Licensor shall have sole control of the defense of such claims and all related settlement negotiations. Reasonable out-of-pocket expenses incurred by Licensee in assisting Licensor in defense of such a claim shall be reimbursed by Licensor.

c. Limitation of Indemnity.

Licensor shall have no liability to Licensee or any assignee, transferee, or sublicensee of Licensee for any

claim of infringement that is based upon any combination of the Licensed Product with software or materials not supplied by Licensor if such claim would have been avoided but for such combination; or any modifications to the Licensed Product other than Releases provided by Licensor or otherwise approved by Licensor in advance and in writing.

16. Patient Records and Disclosure Information.

a. Protected Health Information.

Licensee and Licensor both understand that the Software is for use in the provision of medical and clinical services, and such services and activities will result in records created by Licensee that might constitute Protected Health Information. The Parties understand and agree that use of the Licensed Product by Licensee may result in Licensor coming into contact or possession of any of Licensee's Protected Health Information. However, Licensee agrees to be the party responsible for maintaining compliance with its Protected Health Information.

Licensee shall maintain appropriate documentation in completion of all medical records in compliance with all rules, regulations and guidelines established by state or federal governmental authorities, including, but not limited to, HCFA and HIPAA. Licensee and LICENSOR recognize that while it is unlikely, during the course of this EULA LICENSOR may, from time to time as necessary to provide support or maintenance, or provide Licensee with access to certain Licensed Product features, have access to Protected Health Information from Licensee.

In addition to the foregoing, the Parties shall only use or disclose patient information, including Protected Health Information (as such term is defined by the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Subparts A and E of Part 164, as promulgated from time to time by the Department of Health and Human Services (the "Privacy Standards")), in compliance with the Privacy Standards and other applicable law. The Parties shall further reasonably safeguard the confidentiality, integrity, and availability of patient information, including Protected Health Information, as required by applicable law, including the Privacy Standards and the Security Standards (45 C.F.R. Part 160 and Subparts A and E of Part 164).

b. Business Associate Agreement.

To the extent that use of the Licensed Product requires Licensor to access or store a Licensee's Protected Health Information, then Licensee agrees to first enter into a valid written agreement, such as a Business Associate Agreement, with Licensor in a form that Licensor requires. Licensee agrees not to send any Protected Health Information to Licensor or use the Licensed Product without first entering into a valid written agreement (such as a Business Associate Agreement) which is sufficient to authorize Licensor's access to the Protected Health Information of Licensee. To the extent both Parties agree to enter into such agreement, the Parties agree to work cooperatively and expeditiously to sign such Business Associate Agreement or other agreements that satisfy the confidentiality provisions applicable to the Protected Health Information. Licensor may require Licensee to execute an updated written agreement (such as a Business Associate Agreement) at any time and at its sole discretion.

Licensor may hire and utilize third-party entities or people to provide Features or other services related to the Software. In certain situations, Licensor may enter into a Business Associate Subcontractor Agreement with these third-party entities or people, in a form and containing terms which are agreeable to Licensor, to protect Protected Health Information.

In utilizing the Software for the provision of medical and clinical services, a Licensor may be required to disclose information to, and/or obtain consent, of its client/patient. Licensee is responsible for maintaining compliance with any local, state or federal laws related to the disclosure or consent requirements to its clients/patients. Licensee shall indemnify and hold harmless Licensor from any third-party actions maintained related to these and other disclosure and consent obligations, utilizing the process and structure set forth in the "indemnification section" of this EULA.

17. Fraud and Abuse Compliance.

a. Parties Intend to Maintain Fraud and Abuse Compliance.

It is not the intent of either Party to this EULA that any remuneration, benefit, or privilege provided for under this EULA shall influence or in any way be based on the referral or recommended referral by either Party of patients to the other Party or its affiliated providers, if any, or the purchasing, leasing or ordering of any services other than the specific Billing Services described in this EULA. By entering into this EULA, the Parties specifically intend to comply with all applicable laws, rules, and regulations, including (i) the federal anti-kickback statute (42 U.S.C. 1320a-7(b)) and the related safe harbor regulations; and (ii) the Limitation on Certain Physician Referrals, also referred to as the "Stark Law" (42 U.S.C. 1395nn). Accordingly, no part of any consideration paid hereunder is a prohibited payment for the recommending or arranging for the referral of business or the ordering of items or services; nor are the payments intended to induce illegal referrals of business. In the event that any part of this EULA is determined to violate federal, state, or local laws, rules, or regulations, the Parties agree to negotiate in good faith revisions to the provision or provisions which are in violation. In the event the Parties are unable to agree to new or modified terms as required to bring the entire EULA into compliance, either Party may terminate this EULA on thirty (30) days written notice to the other Party.

b. Compliance Plan and Anti-Fraud Program.

Licensee has and will maintain, throughout the Term of this EULA, a compliance and anti-fraud program to detect and prevent the incidence of fraud and abuse relating to its business. Such program must require that Licensee, (i) its officers, directors, employees, and agents, at minimum, comply with all state and federal, laws, rules, and requirements, (ii) designate a compliance officer; (iii) maintain and comply with internal controls and policies and procedures designed to prevent, detect and report known or suspected fraud and abuse activities; and (iii) institute specific controls for reviewing claims.

18. Termination.

a. Termination by Licensor.

Licensor may terminate this EULA, and the licenses granted to Licensee under this EULA upon the occurrence of any of the following events or learning of the following:

- i. Licensee fails to pay Licensor any fee, charge, tax, or other reimbursement when due, and the failure to pay is not cured within ten (10) days of Licensee's receipt of Licensor's written notice thereof;
- ii. Licensee transfers title to or possession of the Licensed Product without Licensor's prior written consent;
- iii. Licensee breaches any material obligation of Licensee under this EULA;
- iv. Licensee is a competitor to Licensor, or the EULA is approved or signed by a Person who is an owner, director, officer, employee, agent, contractor of, or is otherwise associated with a Company that has software or is developing software, which Licensor, in its sole discretion, believes is or could be a competitor of Licensor;
- v. Licensee attempts to set up multiple Trial accounts or otherwise exploit the Software.
- vi. Licensee becomes insolvent, or is adjudicated a bankrupt, or voluntarily seeks protection under any bankruptcy or insolvency law; or
- vii. Licensee assigns its assets for the benefit of creditors or any arrangement with its creditors.

b. Termination by Licensee.

Provided Licensee is not in default under this EULA, the EULA may be terminated by Licensee by giving Licensor ten (10) calendar days prior written notice of termination prior to the end of the current term. Any such termination by Licensee shall be without refund of any License Fees, Service Fees, or any other amounts paid or payable to Licensor through the effective date of termination;

c. Licensor Remedies Upon Termination. In the event of any termination of this EULA:

- i. Licensee shall cease all further use of the Licensed Product, or any portion thereof, in all forms and on all media and computer memory, and Licensee shall immediately, at Licensor's sole discretion: (a) surrender and deliver the Licensed Product and all Copies thereof to Licensor; or (b) destroy all copies of Licensed Product, including backup and archival copies, and provide satisfactory evidence of such destruction to Licensor within one (1) month following termination. Regardless of the election made by Licensor under this Section, Licensee shall provide a written certification to Licensor by an officer of the Licensee that such return or destruction has occurred in accordance with this Section;
- ii. Licensee shall pay all outstanding fees and amounts due and payable to Licensor as of the date of termination;
- iii. Licensor may cease performance of any or all of Licensor's obligations under this EULA, without liability to Licensee;
- iv. Where such termination is the result of a breach or threatened breach of this EULA by Licensee,

Licensor may apply for and obtain injunctive relief against the breach or threatened breach; and

- v. Licensee shall promptly return to Licensor all of Licensor's Confidential Information.

d. Liquidated Damages.

If Licensee is found to be violating this EULA by either using the Software to aid other healthcare professionals, or allowing other non-Licensee healthcare professionals access to the Software Product ("Unauthorized Sharing"), then the following applies. The Parties agree that it would be difficult to near impossible to ascertain the damages due to Licensee's Unauthorized Sharing, including the lost revenue, damage to Licensor's reputation, and risk of disclosure of Licensor's confidential and proprietary information and processes. For these reasons, the Parties agree to a set liquidated damages of \$2,500 for each and every incident of Unauthorized Sharing done by the Licensee, directly or indirectly. An "incident" for purposes of this subsection, includes an individual entry or use by Licensee. The sharing actions to which liquidated damages apply, include those done directly or indirectly by a Licensee. This section does not include illegal misappropriation, misuse, or trafficking in Licensor's confidential and trade secret information.

e. Equitable Relief.

The Parties acknowledge and agree that there may be no adequate remedy at law for the failure of the other Party to comply with any of the material terms and conditions of this EULA, including, without limitation, a failure to cease the use of the Licensed Product upon termination of the License or a breach of the confidentiality provisions herein, and the Parties agree that, in the event of any such failure, the non-breaching Party may be entitled to equitable relief by way of temporary restraining order, temporary injunction and permanent injunction and such other and further relief as any court of competent jurisdiction may deem proper.

f. Remedies Cumulative.

The rights and remedies of Licensor and Licensee in this Section shall be cumulative and in addition to all other rights and remedies available at law and in equity.

g. Survival.

The provisions of this EULA, which by their sense and context should survive any termination or expiration of this EULA, including without limitation Sections 2, 3, 4, 5, 7, and 10 through 16 of this EULA, shall survive termination of this EULA and shall remain binding on the Parties.
